**The Most Bubble Chamber with 100 people in a bubble
Live on Oprah Winfrey Show**

If Fan continues to receive his bubble magic on stage.
Using a special bubble machine, Fan performs a trick that appears to create bubbles out of thin air.
Fan blows big filled one made of a larger, clear bubble.

"I want to do that!" Oprah says.

If you thought getting one person in a bubble sounded difficult,
try 100! Before today, Fan has only been able to fit 42 people in a bubble.
He breaks his time to reach his new record right on Oprah's stage.

With the voice of an arm, Fan blows his old record out of the water on only his second try!
